

Build value-based relationships with targeted buyers

Understand where you can add value to new and existing customers, and how to use this understanding to gain their interest and loyalty

A highly interactive one-day workshop that will give you new insight into seller-buyer interactions and motivations

Have you:

X Want to better understand your customer's buying motivations?

Use this workshop to:

✓ Gain insights into your customer's world by mapping their relationships with their customers and competitors

X Need to have a dialogue with the customer that is about more than price?

✓ Learn how to utilise industry knowledge to understand and create value that this customer will recognise

X Struggle to extract information from customers that you can use to improve your services?

✓ Learn and practice effective techniques to gain traction with buyers and collaboration from suppliers

X Feel under-prepared for the challenge of starting new conversations with targeted customers?

✓ Arm yourself with a set of simple tools and skills that you can immediately put to use to increase customer engagement and enhance existing relationships

X Lack a forum where you can validate your ideas about how to work more closely with customers?

✓ Share information and learn from the experiences of all participants as well as the facilitator
